

**Subject: Internships (Rolling) – Adaptation and Resilience/Climate Policy/Energy Transitions/Environmental Governance and Policy**

**About the Sustainable Futures Collaborative (SFC)**

The [Sustainable Futures Collaborative](https://www.sustainablefutures.org) (SFC) is an independent and non-profit research organisation that

- Analyses issues at the frontier of addressing climate change, managing the energy transition, and limiting environmental threats in India and globally;
- Informs policymakers, stakeholders and the public about key policy and governance levers, and their implications; and
- Accelerates the transition to an environmentally and socially sustainable future by enabling strategic action for systemic change.

**Description and application instructions**

SFC is inviting interns for each of our areas of work:

- [Adaptation and Resilience](#)
- [Climate Policy](#)
- [Energy Transitions](#)
- [Environmental Governance and Policy](#)

Please send in your application to [hello@sustainablefutures.org](mailto:hello@sustainablefutures.org) with the subject line ‘Application: Internship (name of the research area)’. Applications should include:

- A CV
- A cover letter describing what skills you bring to the particular research area and how SFC can help you in your long term goals
- 2 writing samples, ideally published

Applications will be reviewed on a rolling basis. The internship will be based out of our New Delhi office.

**Stipend**

A nominal stipend of Rs 20,000 per month will be provided.
